BOTH SIDES OF THE STORY

Our story should always point other people to Jesus and what He has done. Today we want to list both sides of the story beside each other. This will help us remember to include both sides of the story, when we share our faith story.

1. On the **“ME”** side, write down things that God has changed in your life since you began a relationship with God. (Examples: He has helped me love more. He has given me joy. He has taken away my shame.)
2. On the **“JESUS”** side, write down things that Jesus did to rescue you from sin and restore your broken relationship with God. (Examples: Lived a perfect life. Loved me. Died on the cross. Rose from the dead.)

3. Circle the list on the **“JESUS”** side. This is a reminder to always include what Jesus has done to restore our relationship with God in your story.
4. Write a short paragraph about how having a relationship with Jesus has changed your life AND what Jesus did for you, so that you could have a relationship with God.
